## Teacher/Occasional Teacher Central Table Negotiations Update

After 29 days of bargaining, we have reached a tentative agreement with the Crown and OPSBA at the Teacher/Occasional Teacher central bargaining table.

In order for ratification to move forward, the agreement must have the endorsement of local leaders. We will be bringing those local leaders together later this week, and we will provide an additional update following that meeting.

Membership meetings will be scheduled in each District after Labour Day. The details of the agreement will be provided at those meetings, and the ratification process will be outlined.

## Support Staff Central Table Negotiations Update

Further bargaining dates for the Support Staff central bargaining table have been scheduled for August 28 and September 23, 24 and 25.

**Please frequently check the “Members Only” section of the OSSTF/FEESO website for updated information on bargaining.**
