## Contract Extension and Bill 115 Remedy Ratification Vote Results

OSSTF/FEESO members covered by the School Boards Collective Bargaining Act have ratified both the extension to the central agreement that was reached with school board associations and the Government on February 23, 2017, and the remedy to the Bill 115 Charter Challenge reached at the same time.

Ratification for both the extension and remedy required a double majority, meaning a majority of the total votes cast by OSSTF/FEESO members as well as approval within the majority of participating Bargaining Units across the province.

**The extension to the collective agreement was approved by 86.5% of voting members, and by 95.1% of the participating OSSTF/FEESO Bargaining Units.**

**The remedy to the Bill 115 Charter Challenge was approved by 77.4% of voting members, and by 95.9% of the participating OSSTF/FEESO Bargaining Units.**

Once ratification votes of the school boards' associations and the Government have been confirmed, the terms of the extension will be finalized. The payouts associated with the remedy will be made at a date yet to be determined.

Further details will be shared with local leaders as they become available.
