## **Contract extension and Bill 115 remedy tentative agreements**

As was reported in the Special Bulletin issued February 22, 2017, negotiations regarding a possible contract extension and Bill 115 remedy resumed yesterday.

Tentative agreements have been reached on both a contract extension and a Bill 115 remedy.

As per the process that was approved at the Provincial Council meeting of September 30, 2016, a special meeting of presidents and chief negotiators from Bargaining Units representing members employed by school boards will be convened on Tuesday, February 28, to vote on whether the tentative agreements should be endorsed and/or submitted to members for ratification.

Subsequent to the special meeting of presidents and chief negotiators, meetings will be scheduled in each District. The details of the agreements will be provided at those meetings, and the ratification process will be outlined, in accordance with the process that was approved by Provincial Council.
