Contract extension and Bill 115 remedy discussions to resume November 1

Representatives from OSSTF/FEESO and representatives of the provincial government will resume discussions this week about a possible extension to our current central collective agreements and a remedy pursuant to our successful Bill 115 Charter challenge.

Meetings are scheduled for Tuesday, November 1 and Wednesday, November 2. These meetings follow two previous days of discussions on October 19 and 20, as reported in the Special Bulletin issued on October 21.

We will continue to update members about the progress of these talks.
