## **Contract extension and Bill 115 remedy discussions to resume**

The Provincial Executive met today with the members of the Teacher/Occasional Teacher and Support Staff Ad Hoc Advisory Work Group to review the outcome of recent meetings with senior government representatives regarding a potential contract extension and Bill 115 remedy, and to discuss next steps.

Following that meeting and based upon the input, the Provincial Executive has decided to resume discussions with provincial government representatives about a possible extension to our current central collective agreements and a remedy pursuant to our successful Bill 115 Charter challenge.

Members will be notified through a special bulletin once a date has been confirmed for the resumption of discussions.
