February 16, 2017

To all OSSTF/FEESO members

## **Exploratory discussions regarding returning to extension and Bill 115 remedy discussions**

Over the last week the provincial government has reached out to OSSTF/FEESO to ascertain the viability of returning to the table in regard to a contract extension and a Bill 115 remedy.

The Provincial Executive met today with the members of the Teacher/Occasional Teacher and Support Staff Ad Hoc Advisory Work Group to discuss entering into exploratory discussions to determine if there is common ground to return to negotiations.

Following the meeting with the Advisory Workgroup and with their input, the Provincial Executive has authorized the Associate General Secretary of Protective Services, the Director of Negotiations/Contract Maintenance and appropriate staff to enter into those exploratory talks.

Members will be notified through a special bulletin about the outcome of those discussions.
