

COVID-19 Pandemic Information Update

Federation Website Members Only Area

As the COVID-19 crisis continues, the Members Only area of the OSSTF/FEESO website will become an increasingly important resource for members, not just as an access point for information, but also as a tool for carrying on certain aspects of the Federation's business.

For example, should tentative agreements be reached at the provincial central bargaining tables during this period of physical distancing, it will be necessary to employ the voting function within the Members Only area of the website to conduct ratification votes. This means that members who wish to participate in any such ratification vote will need to be registered as users with the Federation website.

If you have not yet registered, we urge you to do so as soon as possible. Instructions on how to register, as well as video tutorials on navigating the website, can be found on the website's Member Login page (<https://www.osstf.on.ca/en-CA/protectedspace>). If you require assistance in accessing the Members Only area of the OSSTF/FEESO website, please contact Membership Database at Membership-Database@osstf.ca.

As the COVID-19 pandemic crisis continues to unfold, OSSTF/FEESO will be issuing frequent updates to provide members with as much pertinent information as possible.

Please frequently check the *myOSSTF* section of the OSSTF/FEESO website for updated information.
