## Personal Property Retrieval Guidelines for Schools

To: Presidents and All Members  
From: Pierre Côté, General Secretary

### For Information

Please see in Attachment 1 a memorandum from the Ministry of Education entitled *Personal Property Retrieval Guidelines for Schools*.

Please note that in paragraph three of the memorandum, the ministry gives license to boards with established retrieval plans to move ahead. This is a concern to us and we encourage local leaders to contact their boards and encourage them to follow the ministry's direction where it deviates from local board plans.
