

# OSSTF D19 PEEL TBU POLITICAL ACTION COMMITTEE

## It's Time for Action, Political Action!

The D19 PAC needs members who want to actively participate and encourage members at their branch to participate in Federation and labour initiatives around the GTA. The PAC strives to educate D19 members and the broader community about issues that affect us all in an effort to protect and enhance public education, increase the support for public services, and advance social justice causes.

Speak to your Branch President today for information about becoming the PAC representative for your school!
